All families start on our general waitlist and will be emailed an invoice for the general waitlist fee of \$150. Once payment is made, we will be notified and process your application. After this, your child(ren) will officially be added waitlist.

Please consider my application for (check all that apply):

- Guaranteed Placement (\$1000 - \$850 due, after general waitlist fee has been paid)
- Fast-Track Enrollment (\$500 - \$350 due, after general waitlist fee has been paid)

I understand that the fee(s) associated with joining one of our waitlist or placement options is non-refundable and non-transferable. Placement is not guaranteed unless I have secured the Guaranteed Placement option.

I understand that acceptance could occur for any level beyond the level for which I first applied and that my application will remain active until a spot becomes available.

I understand that if I decline enrollment when offered, I must re-apply to the join waitlist and re-submit the associated fee. I also understand the fee(s) may have increased since my initial application submission.
